glo - ry, dwell - ing in our land,  
hea - ven, faith - ful - ness from earth

14 Bm Bm/A G D A D

mer - cy Give to us your sa - ving help.

— in our land.  
— will rise up.

Verse 3: Earth will prosper, the Lord will make it yield its fruit,  
And his justice, it will then march before the Most High,  
With peace behind him, following his steps, in his steps.

This is designed to be sung like a Taize chant, with the congregation repeating the chant while the verses are sung at the same time by the soloist. Suitable gaps may be left between the verses while the congregation continue to sing.
