Send forth your spi-rit O Lord And ren - ew the face of the Earth_

Bless the Lord my_ soul_ Lord_ God how great you

are_ Clothed in ma - jes - ty and glo - ry_

Wrapped in light as in a robe_

You founded the earth on its base

Standing from age to age

Earth surrounded the ocean

Standing higher than the hills

Many are your works O Lord

Truly you have made them all

Earth is full of your riches

Bless the Lord my soul.
